

WHAT A

CATASTROPHE!

LION

My roar can be heard from five miles away.

CLOUDED LEOPARD

I live in trees and can hang upside down from branches.

CHEETAH

I'm the fastest animal on land. I can run at more than 65 mph.

Matching answers: top, cheetah cub, middle, lion cub, bottom, clouded leopard cub. Scramble answers: bobcat, cougar, jaguar, lynx, ocelot, tiger

Three cats at the Smithsonian's National Zoo—a lion, a clouded leopard, and a cheetah—have each lost a cub.

Bring the three families back together by matching the adult cat with the baby cat.

How many other cats can you name? Unscramble these six names and find them in the word-search puzzle.
